## Battery Weekly 26 May

### America

- [Chinese Equipment Replaces Korean Suppliers at BlueOvalSK Kentucky Plant After JV Split.- thelec.net](#) Ford is replacing Korean battery equipment at the former BlueOvalSK Kentucky plant with Chinese technology after taking control of the facility following the SK On–Ford JV split. The plant is being converted from pouch-type NCM battery production to prismatic LFP batteries using CATL technology, mainly for the ESS market under Ford Energy. As a result, equipment orders from Korean suppliers such as Hana Technology, MPLUS, Toptec, Yunsung F&C, PNT, and others have been cancelled or left without use. Meanwhile, SK On's newly controlled Tennessee plant remains uncertain, with production delayed to 2028 and future utilization depending on new EV, HEV, or ESS orders.
- [Stellantis Plans \\$70 Billion Comeback With LFP Batteries And A Tesla FSD Challenger.- insideevs.com](#) Stellantis has announced a major USD 60 billion turnaround plan to revive its EV strategy with cheaper batteries, new software, and advanced autonomy features. The company plans to launch 29 new EVs, 15 plug-in hybrid or extended-range models, and more hybrids by 2030 using a new scalable platform called STLA One. The EV version will use 800V architecture, LFP batteries, and a cell-to-body battery design to reduce cost, improve efficiency, and simplify production. Stellantis will also deepen cooperation with Qualcomm for infotainment and ADAS technology, while working with Wayve on hands-free supervised automated driving. The plan reflects Stellantis' effort to catch up in EVs, software-defined vehicles, and AI-based autonomy after weak U.S. EV launches and slowing momentum.

### Asia

- [China's Putailai to Invest USD823.3 Million to Boost Battery Separator Film Output.- yicaiglobal](#) Putailai New Energy Technology plans to invest CNY 5.6 billion / USD 823.3 million to expand its lithium battery separator film capacity in Qionglai, Sichuan. The project will add 16 production lines with total annual capacity of 7.2 billion square meters, built in two phases: Phase I will start trial production in 2027, while Phase II is expected to begin operation in Q1 2028. The expansion aims to improve Putailai's self-sufficiency in base films, reduce production bottlenecks, and strengthen its integrated separator supply chain amid rising demand from lithium battery makers.
- [Ganfeng starts pilot production of 500 Wh/kg solid-state batteries.- electrive.com](#) Ganfeng Lithium has started small-batch production of a 10Ah lithium-metal solid-state battery with energy density of 500 Wh/kg, positioning it as a key step toward commercializing next-generation high-energy batteries. The company also said its 400 Wh/kg solid-state battery has exceeded 1,100 charge cycles and completed engineering validation. Ganfeng is developing both silicon-carbon and lithium-metal solid-state routes, targeting applications such as premium EVs, drones, eVTOL aircraft, robotics, and consumer electronics. The progress follows earlier pilot production of higher-energy semi-solid-state batteries and supports Ganfeng's broader push into advanced battery technologies for electric mobility.
- [SVOLT to start semi-solid-state battery production in September.- electrive.com](#) SVOLT plans to begin series production of semi-solid-state batteries in September 2026, earlier than its previous 2027 target. The batteries are expected to be integrated into multiple vehicle models soon after launch, with a 100 kWh battery version also moving toward large-scale production. SVOLT's first-generation semi-solid-state cells are expected to reach around 300 Wh/kg, with a second-generation version targeting 360 Wh/kg. CEO Yang Hongxin said semi-solid-state batteries could become the main near-term technology path because they offer better safety, energy density, and lifespan than conventional lithium-ion batteries, while fully solid-state batteries remain far from commercialization.

- [Xiaomi sets up subsidiary for battery and electric motor production.- electrive.com](#) Xiaomi has established a new subsidiary, Beijing Xiaomi Jingxu Technology, to support production of key EV components including batteries, electric motors, and electronic control systems. The move aims to strengthen Xiaomi's control over its EV supply chain, after previously relying on partners such as CATL and BYD FinDreams Battery for battery solutions. Chinese media also report that Xiaomi is involved in a 15 GWh battery factory joint venture with CATL, BAIC, and Jingneng, located near Xiaomi's Yizhuang EV plant, with production expected to begin later this year. The expansion supports Xiaomi Auto's rapid growth and its 2026 delivery target of 550,000 vehicles.
- [POSCO Future M Secures Mass Production Technology for Silicon Anodes.- thelec.net](#) POSCO Future M has secured mass production technology for silicon anode materials and aims to begin commercial production and supply in 2028 after pilot operations in Pohang, South Korea. Its silicon anode can store more than four times the energy of conventional graphite anodes, and tests showed batteries with over 20% silicon content retained more than 80% capacity after 1,000 cycles. The company reduced silicon expansion issues using nanostructuring and carbon composite technologies. POSCO Future M expects demand from premium EVs, fast-charging batteries, humanoid robots, UAM, and solid-state batteries, including cooperation with Factorial.
- [Sungrow Wins 7.5 GWh Energy Storage Order for Masdar's UAE RTC Project](#) Sungrow signed an agreement with Masdar to supply 7.5 GWh of PowerTitan 3.0 liquid-cooled energy storage systems and 2.6 GW of PV inverter solutions for the UAE's gigascale Round-the-Clock renewable energy project, developed by Masdar and EWEC. The full project combines 5.2 GW solar PV with a 19 GWh battery energy storage system to provide reliable clean power around the clock, with operation expected in 2027. Sungrow's system will deploy over 1,000 PowerTitan 3.0 units, using an 8-hour charge / 16-hour discharge cycle, and is designed for harsh Middle East conditions, operating at up to 55°C without derating. The deal strengthens Sungrow's position in the Middle East utility-scale ESS market following its earlier 7.8 GWh Saudi storage project. [linkedin.com], [sunwiz.com.au]
- [Xiaomi EV reportedly taps new battery suppliers for second brand to target EREV market.-cnevpost.com](#) Xiaomi EV is reportedly adding Sunwoda and CALB as battery suppliers for the first model under its new sub-brand Skynomad, reducing reliance on existing suppliers CATL and BYD. The model, internally codenamed Kunlun N3, is expected to launch in H2 2026 as a full-size extended-range SUV with a battery pack above 70 kWh and 400–500 km pure-electric range. Sunwoda is expected to supply around 60% of the battery quota and CALB 40%. The move helps Xiaomi lower supply-chain risk, improve cost control, and target China's competitive family EREV SUV market at around CNY 200,000, competing with models from Li Auto and Aito.
- [LG Energy Solution Moves to Secure Core LMR Battery Patents.- thelec.net](#) LG Energy Solution is strengthening its next-generation battery patent strategy, especially around lithium manganese-rich (LMR) batteries. The company recognized 12 employees at its 2026 Inventor King and Patent King Awards, with the top inventor honored for building patents combining LMR cathodes and silicon anodes. LMR batteries are seen as promising because they use more manganese to improve cost competitiveness and energy density, and LGES is working with GM to mass-produce prismatic LMR batteries for future electric trucks and large SUVs. The company also highlighted patents related to battery-pack cooling and safety design, emphasizing that intellectual property will be key to maintaining global competitiveness.
- [Hanjung NCS Emerges as Major ESS Parts Supplier After ICE Business Shift.- thelec.net](#) Hanjung NCS has successfully shifted from internal combustion vehicle parts to ESS components, becoming a key supplier for Samsung SDI's Samsung Battery Box. The company provides major cooling and safety parts such as cooling plates, chillers, HVAC systems, and fire-suppression components. Its ESS pivot has boosted results, with Q1 revenue up 65% year-on-year to KRW 54.7 billion and ESS now making up 97% of sales.
- [LG Energy Solution, Honda Launch Electric Two-Wheeler Battery Swapping Pilot in Vietnam.- thelec.net](#) LG Energy Solution, Honda, and the Hanoi city government signed an MOU to launch an electric two-wheeler battery swapping pilot in Vietnam. Starting in Q3 2026, the partners plan to deploy around 50 battery swapping stations and 500 electric motorcycles across Hanoi. LG Energy Solution will supply 2170 cylindrical batteries and manage battery safety systems, while Honda will provide battery packs, swapping systems, and electric two-wheelers. The project supports Hanoi's push to reduce motorcycle emissions as the city prepares restrictions on internal combustion motorcycles, and it could help accelerate Vietnam's electric two-wheeler transition.
- [L&F Completes LFP Cathode Plant in Daegu.-thelec.net](#) L&F has completed its new LFP cathode materials plant in Daegu, South Korea, and plans to begin mass production in Q3 2026 with annual capacity of 30,000 tonnes. The company aims to expand capacity to 60,000 tonnes by H1 2027, using its third-generation high-density LFP platform to improve energy density versus conventional LFP materials. The plant supports L&F's move beyond high-nickel cathodes into LFP materials for ESS, AI data centers, power grids, and mass-market EVs, while also working to internalize iron phosphate precursor technology currently dominated by Chinese suppliers.
- [Vitzrocell Eyes AI Data Center Market With Lithium-Ion Capacitors.- thelec.net](#) Vitzrocell is targeting the AI data center power market with lithium-ion capacitors (LICs), which combine battery-like energy storage with capacitor-like fast charge/discharge performance. The company is in talks with U.S. and Taiwanese EMS firms and expects commercialization in H2 2027. LICs are seen as useful for AI servers because they can handle sudden 30–50% power surges from GPU workloads, improving power stability and extending PSU lifespan. If

successful, Vitzrocell's LIC business could generate over KRW 600 billion in orders by 2029–2030, becoming a major new growth driver beyond its existing defense, smart meter, and oil-and-gas battery businesses.

## Europe

- [Gotion receives €92 million for two battery projects in Spain.- electrive.com](#) Gotion High-Tech has been provisionally awarded €92 million under Spain's PERTE VEC funding program to support two battery projects in Valladolid, Spain. The projects include a battery cathode material production facility and a battery recycling plant focused on recovering black mass for reuse in new battery cells. Total investment for the two facilities is expected to reach €944.3 million. The projects strengthen Gotion's European battery materials and recycling footprint and are expected to support its planned 20 GWh battery cell plant in Morocco.

## Australia

- [Renewable Metals secures Series A funding.- elective.com](#) Renewable Metals, an Australian battery recycling startup, has raised AUD 12 million in an oversubscribed Series A funding round to advance its battery recycling technology. The funding will support a prototype recycling plant in Kewdale, Western Australia, expected to begin operations in mid-2026 and scale to process up to 2,000 tonnes of batteries per year, equivalent to around 4,000 EV batteries. The company's process can recycle multiple battery chemistries, including NMC, LCO, and LFP, on a single line without pre-sorting or dismantling, helping reduce costs and improve flexibility. Renewable Metals will also use the funding to design its first commercial-scale facility in Hunter, New South Wales, based on a modular, lower-capital approach aimed at supporting local and global battery recycling markets.
- [GoodWe Leads Australia's Residential Energy Storage Market with Three No.1 Rankings.- solarbe.com](#) GoodWe has strengthened its position in Australia's home battery market, ranking No.1 in three categories based on SunWiz April 2026 market data: fastest-growing ESS manufacturer in 2026, top battery market share in Queensland, South Australia, and Tasmania, and No.1 overall market share for 0–30 kWh residential storage systems. The growth was supported by rising Australian home battery demand after the federal Cheaper Home Batteries Program, with GoodWe's ESA All-in-One Energy Storage System and Lynx F G2 battery series gaining traction due to modular design, backup capability, smart energy management, and suitability for local household needs

**I. REQUIRED DISCLOSURES**

References to "Bernstein" or the "Firm" in these disclosures relate to the following entities: Bernstein Institutional Services LLC (April 1, 2024 onwards), Sanford C. Bernstein & Co., LLC (pre April 1, 2024), Bernstein Autonomous LLP, BSG France S.A. (April 1, 2024 onwards), Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司, Sanford C. Bernstein (Canada) Limited, Sanford C. Bernstein (India) Private Limited (SEBI registration no. INH000006378), Sanford C. Bernstein (Singapore) Private Limited, Sanford C. Bernstein Japan KK (サンフォード・C・バーンスタイン株式会社) and analysts employed by Société Générale Africa Technologies & Services to produce Bernstein research under a Global Services Agreement in place between Bernstein and Société Générale.

Bernstein is part of a joint venture between Société Générale (SG) and AllianceBernstein, L.P. (AB). Unless specifically noted otherwise, for purposes of these disclosures, references to Bernstein's "affiliates" relate to both SG and AB and their respective affiliates.

**VALUATION METHODOLOGY**

Or, you can also write to the Director of Compliance, Bernstein Institutional Services LLC, 245 Park Avenue, New York, NY 10167.

**RISKS**

This research publication covers six or more companies. For risks and other company disclosures:

Please visit: <https://bernstein-autonomous.bluematrix.com/sellside/Disclosures.action>.

Or, you can also write to the Director of Compliance, Bernstein Institutional Services LLC, 245 Park Avenue, New York, NY 10167.

**RATINGS DEFINITIONS, BENCHMARKS AND DISTRIBUTION****EQUITY RATINGS DEFINITIONS****Bernstein brand**

The Bernstein brand rates stocks based on forecasts of relative performance for the next 12 months versus the S&P 500 for stocks listed on the U.S. and Canadian exchanges, versus the Bloomberg Europe Developed Markets Large and Mid Cap Price Return Index EUR (EDME) for stocks listed on the European exchanges and emerging markets exchanges outside of the Asia Pacific region, versus the Bloomberg Japan Large and Mid Cap Price Return Index USD (JPL) for stocks listed on the Japanese exchanges, and versus the Bloomberg Asia ex-Japan Large and Mid Cap Price Return Index (ASIA) for stocks listed on the Asian (ex-Japan) exchanges -unless otherwise specified.

The Bernstein brand has three categories of ratings:

- Outperform: Stock will outpace the market index by more than 15 pp
- Market-Perform: Stock will perform in line with the market index to within +/- 15 pp
- Underperform: Stock will trail the performance of the market index by more than 15 pp

Coverage Suspended: Coverage of a company under the Bernstein research brand has been suspended. Ratings and price targets are suspended temporarily, are no longer current, and should therefore not be relied upon.

Not Rated: A rating assigned when the stock cannot be accurately valued, or the performance of the company accurately predicted, at the present time. The covering analyst may continue to publish research reports on the company to update investors on events and developments.

Not Covered (NC) denotes companies that are not under coverage.

Bernstein brand stock ratings are based on a 12-month time horizon.

**Autonomous brand – common stocks**

The Autonomous brand rates common stocks as indicated below. As our benchmarks we use the Bloomberg Europe 500 Banks And Financial Services Index (BEBANKS) and Bloomberg Europe Dev Mkt Financials Large and Mid Cap Price Ret Index EUR (EDMFI) index for developed European banks and Payments, the Bloomberg Europe 500 Insurance Index (BEINSUR) for European insurers, the S&P 500 and S&P Financials for US banks and Payments coverage, S5LIFE for US Insurance, the S&P Insurance Select Industry (SPSIINS) for US Non-Life Insurers coverage, and the Bloomberg Emerging Markets Financials Large, Mid and Small Cap Price Return Index (EMLSF) for emerging market banks and insurers and Payments. Ratings are stated relative to the sector (not the market).

The Autonomous brand has three categories of common stock ratings:

- Outperform (OP): Stock will outpace the relevant index by more than 10 pp
- Neutral (N): Stock will perform in line with the market index to within +/- 10 pp
- Underperform (UP): Stock will trail the performance of the relevant index by more than 10 pp

Coverage Suspended: Coverage of a company under the Autonomous research brand has been suspended. Ratings and price targets are suspended temporarily, are no longer current, and should therefore not be relied upon.

Not Rated: A rating assigned when the stock cannot be accurately valued, or the performance of the company accurately predicted, at the present time. The covering analyst may continue to publish research reports on the company to update investors on events and developments.

Those denoted as 'Feature' (e.g., Feature Outperform FOP, Feature Under Outperform FUP) are our core ideas.

Not Covered (NC) denotes companies that are not under coverage.

Autonomous brand common stock ratings are based on a 12-month time horizon.

### **Autonomous brand – preferred stocks**

The Autonomous brand has three categories of preferred stock ratings:

- Outperform (OP): The total return of the preferred instrument is expected to outperform preferred securities of other issuers operating in similar sectors or rating categories over the next six months.
- Neutral (N): The total return of the preferred instrument is expected to perform in line with preferred securities of other issuers operating in similar sectors or rating categories over the next six months.
- Underperform (UP): The total return of the preferred instrument is expected to underperform preferred securities of other issuers operating in similar sectors or rating categories over the next six months.

Autonomous preferred stock ratings are based on a 6-month time horizon.

### **AUTONOMOUS CREDIT RESEARCH**

Where this report contains investment recommendations for credit instruments, as defined in article 3(1)(35) of the Market Abuse Regulation, the information below is presented to comply with its disclosure requirements.

The report may also include reference(s) to published opinions by other Autonomous or Bernstein analysts covering the equity securities of the issuer(s) referenced herein. Please note an investment recommendation for credit instruments published by the author(s) of this report may differ from the published view of the analyst covering equity securities for the issuer(s) contained in this report and vice versa.

### **CREDIT RATINGS DEFINITIONS**

The Autonomous brand has three categories of credit ratings:

- Credit Outperform (C-OP): The total return of the Reference Credit Instrument is expected to outperform the credit spread of bonds of other issuers operating in similar sectors or rating categories over the next six months.

- **Credit Neutral (C-N):** The total return of the Reference Credit Instrument is expected to perform in line with the credit spread of bonds of other issuers operating in similar sectors or rating categories over the next six months.
- **Credit Underperform (C-UP):** The total return of the Reference Credit Instrument is expected to underperform the credit spread of bonds of other issuers operating in similar sectors or rating categories over the next six months.

Autonomous credit ratings are based on a 6-month time horizon.

A list of all investment recommendations produced by the author(s) of this report alongside credit ratings history are available upon request.

It is at the sole discretion of the Firm as to when to initiate, update and cease research coverage. The Firm has established, maintains and relies on information barriers to control the flow of information contained in one or more areas (i.e. the private side) within the Firm, and into other areas, units, groups or affiliates (i.e. public side) of the Firm

## DISTRIBUTION OF EQUITY RATINGS/INVESTMENT BANKING SERVICES

| Equity Rating                                                  | Market Abuse Regulation (MAR) and FINRA Rating Category | Global Rating Distribution | Investment Banking Relationships* |
|----------------------------------------------------------------|---------------------------------------------------------|----------------------------|-----------------------------------|
| Outperform                                                     | BUY                                                     | 51.1%                      | 16.5%                             |
| Market-Perform (Bernstein Brand)<br>Neutral (Autonomous Brand) | HOLD                                                    | 36.3%                      | 17.8%                             |
| Underperform                                                   | SELL                                                    | 12.6%                      | 14.9%                             |

\* These figures represent the percentage of companies within each equity rating category for which affiliates of Bernstein have provided investment banking services within the previous 12 months.

As of March 31, 2026. All figures are updated quarterly.

## PRICE CHARTS/ RATINGS AND PRICE TARGET HISTORY

This research publication covers six or more companies. For price chart and other company disclosures, please visit <https://bernstein-autonomous.bluematrix.com/sellside/Disclosures.action> or you can write to the Director of Compliance, Bernstein Institutional Services LLC, 245 Park Avenue, New York, NY 10167.

## OTHER MATTERS

The legal entity(ies) employing the analyst(s) listed in this report, and their location, can be determined by the country code of their phone number, as follows:

- +1 Bernstein Institutional Services LLC; New York, New York, USA
- +44 Bernstein Autonomous LLP; London UK
- +212 Société Générale Africa Technologies & Services; Casablanca, Morocco
- +33 BSG France S.A.; Paris, France
- +34 BSG France S.A.; Madrid, Spain
- +41 Bernstein Autonomous LLP; Geneva, Switzerland
- +49 BSG France S.A.; Frankfurt, Germany
- +91 Sanford C. Bernstein (India) Private Limited; Mumbai, India
- +852 Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司; Hong Kong, China
- +65 Sanford C. Bernstein (Singapore) Private Limited; Singapore
- +81 Sanford C. Bernstein Japan KK; Tokyo, Japan

Where this report has been prepared by research analyst(s) employed by a non-US affiliate, such analyst(s), is/are (unless otherwise expressly noted below) not registered as associated persons of Bernstein Institutional Services LLC or any other SEC-registered broker-dealer and are not licensed or qualified as research analysts with FINRA. Accordingly, such analyst(s) may not be subject to FINRA's restrictions regarding (among other things) communications by research analysts with a subject company, interactions between research analysts and investment banking personnel, participation by research analysts in solicitation and marketing activities relating to investment banking transactions, public appearances by research analysts, and trading securities held by a research analyst account.

Where this report has been prepared by research analyst(s) employed by Société Générale Africa Technologies & Services (part of the Société Générale group of companies), it has been prepared on behalf of a Bernstein company under a Global Services Agreement in place between Bernstein and Société Générale.

## **CERTIFICATION**

Each research analyst listed in this report, who is primarily responsible for the preparation of the content of this report, certifies that all of the views expressed in this publication accurately reflect that analyst's personal views about any and all of the subject securities or issuers and that no part of that analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views in this publication.

## **II. ADDITIONAL GLOBAL CONFLICT DISCLOSURES**

It is at the sole discretion of the Firm as to when to initiate, update and cease research coverage. The Firm has established, maintains and relies on information barriers to control the flow of information contained in one or more areas (i.e., the private side) within the Firm, and into other areas, units, groups or affiliates (i.e., public side) of the Firm.

## **III. OTHER IMPORTANT INFORMATION AND DISCLOSURES**

Separate branding is maintained for "Bernstein" and "Autonomous" research products.

- Bernstein produces a number of different types of research products including, among others, fundamental analysis and quantitative analysis under both the "Autonomous" and "Bernstein" brands. Recommendations contained within one type of research product may differ from recommendations contained within other types of research products, whether as a result of differing time horizons, methodologies or otherwise. Furthermore, views or recommendations within a research product issued under one brand may differ from views or recommendations under the same type of research product issued under the other brand. The Research Ratings System for the two brands and other information related to those Rating Systems are included in the previous section.

- Autonomous operates as a separate business unit within the following entities: Bernstein Institutional Services LLC, Bernstein Autonomous LLP, Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司 and Sanford C. Bernstein (India) Private Limited. For information relating to “Autonomous” branded products (including certain Sales materials) please visit: [www.autonomous.com](http://www.autonomous.com). For information relating to Bernstein branded products please visit: [www.bernsteinresearch.com](http://www.bernsteinresearch.com).

Analysts are compensated based on aggregate contributions to the research franchise as measured by account penetration, productivity and proactivity of investment ideas. No analysts are compensated based on performance in, or contributions to, generating investment banking revenues.

This report has been produced by an independent analyst as defined in Article 3 (1)(34)(i) of EU 596/2014 Market Abuse Regulation (“MAR”) and the same article of MAR as it forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018.

**To our readers in the United States:** Bernstein Institutional Services LLC, a broker-dealer registered with the U.S. Securities and Exchange Commission (“SEC”) and a member of the U.S. Financial Industry Regulatory Authority, Inc. (“FINRA”) is distributing this publication in the United States and accepts responsibility for its contents. Where this material contains an analysis of debt product(s), such material is intended only for institutional investors and is not subject to the US independence and disclosure standards applicable to debt research prepared for retail investors.

Bernstein Institutional Services LLC may act as principal for its own account or as agent for another person (including an affiliate) in sales or purchases of any security which is a subject of this report. This report does not purport to meet the objectives or needs of any specific individuals, entities or accounts.

**To our readers in Canada:** If this publication pertains to a Canadian domiciled company, it is being distributed in Canada by Sanford C. Bernstein (Canada) Limited, which is licensed and regulated by the Canadian Investment Regulatory Organization. If the publication pertains to a non-Canadian domiciled company, it is being distributed by Bernstein Institutional Services LLC, which is licensed and regulated by both the SEC and FINRA, into Canada under the International Dealers Exemption.

This document may not be passed onto any person in Canada unless that person qualifies as “permitted client” as defined in Section 1.1 of NI 31-103.

**To our readers in Brazil:** This report has been prepared by Bernstein Institutional Services LLC, and Banco BTG Pactual S.A. (“BTG”) is responsible for the distribution of this report in Brazil.

**To readers in the United Kingdom:** This publication has been issued or approved for issue in the United Kingdom by Bernstein Autonomous LLP, authorised and regulated by the Financial Conduct Authority and located at 60 London Wall, London EC2M 5SH, +44 (0)20-7170-5000. Registered in England & Wales No OC343985.

This document is for distribution only to persons who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “Financial Promotion Order”), (ii) are persons falling within Article 49(2)(a) to (d) (“high net worth companies, unincorporated associations, etc.”) of the Financial Promotion Order, (iii) are outside the United Kingdom, or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) in connection with the issue or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as “relevant persons”). This document is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this document relates is available only to relevant persons and will be engaged in only with relevant persons.

**To our readers in the member states of the EEA:** This publication is being distributed by BSG France SA, which is authorised and regulated by the Autorité de Contrôle Prudentiel et de Résolution (ACPR) and Autorité des Marchés Financiers (AMF).

**To our readers in Hong Kong:** This publication is being distributed in Hong Kong by Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司, which is licensed and regulated by the Hong Kong Securities and Futures Commission (Central Entity No. AXC846) to carry out Type 4 (Advising on Securities) regulated activities and subject to the licensing conditions mentioned in the SFC Public Register (<https://www.sfc.hk/publicregWeb/corp/AXC846/details>). This publication is solely for professional investors, as defined in the Securities and Futures Ordinance (Cap. 571). The purpose of this report is solely to provide an analysis of the issuers referred to in this report and is not intended for any purpose contrary to the laws of Hong Kong.

**To our readers in Singapore:** This publication is being distributed in Singapore by Sanford C. Bernstein (Singapore) Private Limited, only to accredited investors or institutional investors, as defined in the Securities and Futures Act 2001 of Singapore (“SFA”). Recipients in Singapore should contact Sanford C. Bernstein (Singapore) Private Limited in respect of matters arising from, or in connection with, this publication. Sanford C. Bernstein (Singapore) Private Limited is regulated by the Monetary Authority of Singapore and licensed under the SFA as a capital markets services licence holder for dealing in capital markets products that are

securities and collective investment schemes and an exempt financial adviser for advising on, issuing and promulgating analyses and reports on securities. Sanford C. Bernstein (Singapore) Private Limited is registered in Singapore with Company Registration No. 20213710W and located at One Raffles Quay, #27-11 South Tower, Singapore 048583, +65-6230-4612.

**To our readers in the People's Republic of China:** The securities referred to in this document are not being offered or sold and may not be offered or sold, directly or indirectly, in the People's Republic of China (for such purposes, not including the Hong Kong and Macau Special Administrative Regions or Taiwan, the "PRC") in contravention of any applicable laws of the PRC.

This document does not constitute an offer to sell or the solicitation of an offer to buy any securities in the PRC to any person to whom it is unlawful to make the offer or solicitation in the PRC.

We do not represent that this document may be lawfully distributed, or that any securities may be lawfully offered, in compliance with any applicable registration or other requirements in the PRC, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by us which would permit a public offering of any securities or distribution of this document in the PRC. Accordingly, the securities are not being offered or sold within the PRC by means of this document or any other document. Neither this document nor any advertisement or other offering material may be distributed or published in the PRC, except under circumstances that will result in compliance with any applicable laws and regulations.

**To our readers in Japan:** This publication is being distributed in Japan by Sanford C. Bernstein Japan KK (サンフォード・C・バーンスタイン株式会社), which is registered in Japan as a Financial Instruments Business Operator with the Kanto Local Finance Bureau (registration number: The Director-General of Kanto Local Finance Bureau (FIBO) No.3387) and regulated by the Financial Services Agency. It is also a member of Japan Investment Advisers Association. This publication is solely for qualified institutional investors in Japan only, as defined in Article 2, paragraph (3), items (i) of the Financial Instruments and Exchange Act.

For the institutional client readers in Japan who have been granted access to the Bernstein website by Daiwa Securities Group Inc. ("Daiwa"), your access to this document should not be construed as meaning that Bernstein is providing you with investment advice for any purposes. Whilst Bernstein has prepared this document, your relationship is, and will remain with, Daiwa, and Bernstein has neither any contractual relationship with you nor any obligations towards you.

**To our readers in Australia:** Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司 is responsible for distributing research in Australia. It is regulated by the Securities and Exchange Commission under U.S. laws, by the Financial Conduct Authority under U.K. laws, which differs from Australian laws. Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司 is exempt from the requirement to hold an Australian financial services license under the Corporations Act 2001 in respect of the provision of the following financial services to wholesale clients:

- providing financial product advice;
- dealing in a financial product;
- making a market for a financial product; and
- providing a custodial or depository service.

**To our readers in India:** This publication is being distributed in India by Sanford C. Bernstein (India) Private Limited (SCB India) which is licensed and regulated by Securities and Exchange Board of India ("SEBI") as a research analyst entity under the SEBI (Research Analyst) Regulations, 2014, having registration no. INH000006378 and as a stock broker having registration no. INZ000213537. SCB India is currently engaged in the business of providing research and stock broking services. ## LEGAL

All research publications are disseminated to our clients through posting on the firm's password protected websites, [bernsteinresearch.com](https://bernsteinresearch.com) and [autonomous.com](https://autonomous.com). Certain, but not all, research publications are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience.

This publication has been published and distributed in accordance with the Firm's policy for management of conflicts of interest in investment research, a copy of which is available from Bernstein Institutional Services LLC, Director of Compliance, 245 Park

Avenue, New York, NY 10167. Additional disclosures and information regarding Bernstein's business are available on our website [www.bernsteinresearch.com](http://www.bernsteinresearch.com).

The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors where that permission profile is not consistent with the licenses held by the entities noted herein. This document is for distribution only as may be permitted by law. This publication is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of, or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or which would subject any of the entities referenced herein or any of their subsidiaries or affiliates to any registration or licensing requirement within such jurisdiction. This publication is based upon public sources we believe to be reliable, but no representation is made by us that the publication is accurate or complete. We do not undertake to advise you of any change in the reported information or in the opinions herein. This publication was prepared and issued by entity referred to herein for distribution to eligible counterparties or professional clients. This publication is not an offer to buy or sell any security, and it does not constitute investment, legal or tax advice. The investments referred to herein may not be suitable for you. Investors must make their own investment decisions in consultation with their professional advisors in light of their specific circumstances. The value of investments may fluctuate, and investments that are denominated in foreign currencies may fluctuate in value as a result of exposure to exchange rate movements. Information about past performance of an investment is not necessarily a guide to, indicator of, or assurance of, future performance.

This report is directed to and intended only for our clients who are "eligible counterparties", "professional clients", "institutional investors" and/or "professional investors" as defined by the aforementioned regulators, and must not be redistributed to retail clients as defined by the aforementioned regulators. Retail clients who receive this report should note that the services of the entities noted herein are not available to them and should not rely on the material herein to make an investment decision. The result of such act will not hold the entities noted herein liable for any loss thus incurred as the entities noted herein are not registered/ authorised/ licensed to deal with retail clients and will not enter into any contractual agreement/arrangement with retail clients. This report is provided subject to the terms and conditions of any agreement that the clients may have entered into with the entities noted herein. All research reports are disseminated on a simultaneous basis to eligible clients through electronic publication to our client portal.

The information in this report was prepared by Bernstein solely for the internal business use of our clients. Clients may store, display, analyze, reformat and print the information in this report for this limited use only. Clients may not copy, alter, create derivative works, resell, reverse engineer, commercially exploit, share or distribute any part of the information contained herein for any purpose without Bernstein's express written consent. These restrictions include extracting data or using the content to develop indices or other products. Further, you may not use this report, or any portion of this report, to train or finetune any third-party machine learning or artificial intelligence system, or as a prompt or input into any such system. You also may not, without Bernstein's express written consent, do any of the foregoing in connection with your own internal machine learning or artificial intelligence system.

Bernstein may use artificial intelligence tools in the preparation of its materials. Any such materials are reviewed by Bernstein's research analysts prior to publication.

This report has been prepared for information purposes only and is based on current public information that we consider reliable, but the entities noted herein do not warrant or represent (express or implied) as to the sources of information or data contained herein are accurate, complete, not misleading or as to its fitness for the purpose intended even though the entities noted herein rely on reputable or trustworthy data providers, it should not be relied upon as such. Opinions expressed are the author(s)' current opinions as of the date appearing on the material only and we do not undertake to advise you of any change in the reported information or in the opinions herein.

This publication was prepared and issued by the entity referred to herein for distribution to eligible counterparties or professional clients. The information in this report is intended for general circulation and does not constitute an offer to buy or sell any security, investment, legal or tax advice nor a personal recommendation, as defined by any of the aforementioned regulators. It does not take into account the particular investment objectives, financial situations, or needs of individual investors. The report has not been reviewed by any of the aforementioned regulators and does not represent any official recommendation from the aforementioned regulators. The investments referred to herein may not be suitable for you. Investors must make their own investment decisions in consultation with advice sought from a financial adviser regarding the suitability of the investment product, taking into account the specific investment objectives, financial situation or particular needs of any recipient of the recommendation, before the recipient makes a commitment to purchase the investment product.

The analysis contained herein is based on numerous assumptions. Different assumptions could result in materially different results. The information in this report does not constitute, or form part of, any offer to sell or issue, or any offer to purchase or subscribe for shares, or to induce engage in any other investment activity. The value of any securities or financial instruments mentioned in this report may fluctuate subject to market conditions. Information about past performance of an investment is not necessarily a guide to, indicative of, or assurance of future performance. Estimates of future performance mentioned by the research analyst in this report are based on assumptions that may not be realized due to unforeseen factors like market

volatility/fluctuation. In relation to securities or financial instruments denominated in a foreign currency other than the clients' home currency, movements in exchange rates will have an effect on the value, either favorable or unfavorable. Before acting on any recommendations in this report, recipients should consider the appropriateness of investing in the subject securities or financial instruments mentioned in this report and, if necessary, seek for independent professional advice.

The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors where that permission profile is not consistent with the licenses held by the entities noted herein. This document is for distribution only as may be permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject the entities noted herein to any regulation or licensing requirement within such jurisdiction.
